

Senator Chris Ketter

SENATOR FOR QUEENSLAND

Parliament of Australia
The Senate

1 June 2018

Mr Mark Fitt
Committee Secretary
Senate Economics Legislation & References Committees
Parliament House
Canberra ACT 2600

Dear Mark,

I would like the following Questions on Notice to be put to the Parliamentary Budget Office, with a request that as much information as practical be provided by COB Tuesday 5th June in time for the Senate Economics Legislation Committee public hearing inquiring into the Treasury Laws Amendment (Personal Income Tax Plan) Bill 2018 the next day. I would also request that subsequent answers be submitted in a timely fashion in order for the committee to consider the responses and complete its report by 18 June 2018.

For the period to 2028-29, please provide:

1. The year by year financial implications of the Government's Personal Income Tax Plan disaggregated by each step that starts on 1 July 2018 (Step 1), 1 July 2022 (Step 2) and 1 July 2024 (Step 3).
2. The projected number of taxpayers impacted by each stage of the Government's Personal Income Tax Plan (and individual components) by taxable income, in line with the Treasury analysis tabled at Senate Estimates on 29th May 2018.
3. For both 1. and 2. please provide a breakdown of the analysis requested by gender.

Thank you for your assistance with this matter.

Yours sincerely

Chris Ketter
Senator for Queensland
