

Men's mental health – additional support for Movember and Men's Sheds	
Party:	The Coalition
<p>Summary of proposal:</p> <p>The proposal would provide \$32 million over 4 years to help break the stigma around men's mental health, including a new campaign encouraging men to stop avoiding health check-ups. The funding would also support training for over 60,000 GPs and nurses through the work of Movember.</p> <p>The proposal would be non-ongoing, distribute funding evenly over 4 years, and start on 1 July 2025.</p>	

Costing overview

The proposal would be expected to decrease the fiscal and underlying cash balances by around \$32 million over the 2025-26 Budget forward estimates period (see Table 1). This impact reflects an increase in administered and departmental expenses.

The proposal would not be expected to have an impact beyond the 2025-26 Budget forward estimates period, other than for public debt interest (PDI) costs. A breakdown of the financial implications (including separate PDI tables) over the period to 2035-36 is provided at Attachment A.

The Parliamentary Budget Office (PBO) has not made any assessment as to whether the specified funding would be sufficient to meet the objectives of the proposal.

Table 1: Men's mental health – additional support for Movember and Men's Sheds – Financial implications (\$m)^{(a)(b)}

	2025-26	2026-27	2027-28	2028-29	Total to 2028-29
Fiscal balance	-8.0	-8.0	-8.0	-8.0	-32.0
Underlying cash balance	-8.0	-8.0	-8.0	-8.0	-32.0

(a) A positive number represents an increase in the relevant budget balance; a negative number represents a decrease.

(b) PDI impacts are not included in the totals.

Key assumptions and methodology

The proposal is capped at a fixed amount evenly distributed over 4 years from the commencement date. Departmental expenses were estimated based on the cost of administering similar programs and are included within the capped funding amount. Administered expenses are as specified in the proposal, less expected departmental expenses. We assume that no funds allocated to a given year are left unspent.

Financial implications were rounded consistent with the PBO's rounding rules.¹
