|--|-------------------|
| Party: | Australian Greens |
| <p>Summary of proposal:</p> <p>The proposal would provide \$500,000 per year in funding (\$5 million over the medium term) to ensure adequate and appropriate training for departmental staff so that they are equipped to appropriately assess applications from LGBTIQA+ people seeking asylum.</p> <p>The proposal would be ongoing, not be indexed and would start from 1 July 2026.</p> | |

Costing overview

The proposal would be expected to decrease the fiscal and underlying cash balances by around \$1.5 million over the 2025-26 Budget forward estimates period (see Table 1). This impact reflects an increase in departmental expenses.

The proposal would be expected to have an impact beyond the 2025-26 Budget forward estimates period. A breakdown of the financial implications (including separate public debt interest (PDI) tables) over the period to 2035-36 is provided at Attachment A.

The Parliamentary Budget Office (PBO) has not made any assessment as to whether the specified funding would be sufficient to meet the objectives of the proposal.

Key assumptions and methodology

The proposal is capped at a fixed amount, provided annually from the commencement date. All funding is departmental in nature and is not indexed. We assume that no funds allocated to a given year are left unspent.

Financial implications were rounded consistent with the PBO's rounding rules.¹
