

Justice – age of legal responsibility - \$50 million for alternatives to youth detention	
Party:	Australian Greens
Summary of proposal: The proposal would provide \$50 million over 4 years to the Attorney-General's Department to develop a roadmap for alternatives to youth detention. The proposal would be non-ongoing, distribute funding evenly over 4 years and start on 1 July 2026.	

Costing overview

The proposal would be expected to decrease the fiscal and underlying cash balances by around \$37.5 million over the 2025-26 Budget forward estimates period (see Table 1). This impact reflects an increase in departmental expenses.

The proposal would be expected to have an impact beyond the 2025-26 Budget forward estimates period. A breakdown of the financial implications (including separate public debt interest (PDI) tables) over the period to 2035-36 is provided at Attachment A.

The Parliamentary Budget Office (PBO) has not made any assessment as to whether the specified funding would be sufficient to meet the objectives of the proposal.

Table 1: Justice – age of legal responsibility - \$50 million for alternatives to youth detention – Financial implications (\$m)^{(a)(b)}

	2025-26	2026-27	2027-28	2028-29	Total to 2028-29

Underlying cash balance	-	-12.5	-12.5	-12.5	-37.5

(b) PDI impacts are not included in the totals.

- Indicates nil.

Key assumptions and methodology

The proposal is capped at a fixed amount, evenly distributed over 4 years from the commencement date. All funding is departmental in nature, as it would be provided to the Attorney-General's Department. We assume that no funds allocated to a given year are left unspent.

Financial implications were rounded consistent with the PBO's rounding rules.¹
