## Opportunities to do better

Change  
management &  
prioritisation

Risk  
management

Learning &  
development

Supervision

## Our commitment to action

- ☐ Greater opportunities for staff input into organisational planning
- ☐ Greater agency-wide consultation on major projects & model development
- ☐ Enhanced workflow management tools to improve visibility of agency activities
- ☐ Dedicated topic-specific spaces for capturing skills & advice from staff
- ☐ Provide staff with dedicated time for relevant learning & development
- ☐ Improve timely feedback for staff across teams
